SUBJECT: 2009 Proposed Junior League Structure

FFV has released a proposed Junior League Structure for Season 2009. This structure includes all teams which competed in the 2008 Season.

No new teams will be placed in leagues where there is a BYE. All new teams will be placed in the lowest league where there is a VACANCY, or new leagues will be formed. This is done in accordance with FFV Rules and Regulations.

NB: These structures are subject to change

Clubs who have requests to be placed in a lower league can do so in writing, on club letterhead, and must have this request signed by a club official as per FFV Rules and Regulations.

Clubs wishing to be considered for any potential vacancy in a higher league must submit such a request in writing, on Club letterhead, signed by a club official.

Payment of team registration is required for Clubs to accept their league positions and must do so by registering their team by the set time frame.
